Coalition Declaration

Mission

To organise and mobilise people-power to accelerate the eradication of inequalities and inequities for fairer, healthier, safer, thriving and more inclusive communities.

Vision

BE, BECOME and BRING L.I.G.H.T.

- Love
- Intersectionality
- Growth
- Hope
- Transformation

Values

Honesty, transparency and integrity

Slogan

The African proverb - “If you want to go fast, go alone. If you want to go far, go together”

Partnerships

Grassroot community organisations.

Ethics

- Integrity
- Transparency
- Accountability
- Mutuality

Sustainability

- Coordinate our resources through effective Collaboration for Collective impact towards Community Upliftment.
- Growth and extending the reach to targeted campaigns.
- Pooling resources (such as knowledge, networks, social media & media exposure, etc).
- BeCoCo is a partnership and therefore partners that require funding need to show that 50% of the funding has been raised prior to applying for funding at BeCoCo.

Coalition Declaration

Commitment

Coalition organisations of Becoco hereby agree to commit to the following provisions and activities (all of which are aimed at benefiting all organisations)

1. **Sharing of contacts**
 - Through the BeCoCo website portal, coalition organisations will be able to ask for assistance with various contacts needed for their projects.
 - All coalition organisations are required to share contacts when they are able to.
2. **Sharing of resources**
 - Coalition organisations are required to share resources such as manpower, financial assistance, equipment, should they be in a position to do so.
3. **Provide physical support attendance to events of other organisations**
 - All coalition organisations are urged to support each other's events with physical attendance.
 - Each organisation will have a minimum number of events that they are required to attend in a year.
 - The frequency in which an organisation provides this support will be measured and scored.
4. **Sharing and supporting of social media content of other organisations**
 - All coalition organisations will be required to help promote the content shared by other coalition organisations, more especially when it is content promoting a particular event.
